Department of Computer Science & Engineering
Report

Program Title   : A one day Awareness Programme on "Artificial

Intelligence &   Concepts, Applications & Ethics"

Organized By   : SREC IEEE SDepartment of CSE,SREC

Program Coordinator   : Mr,T.M. RAMESH Assistant Professor

Date   : 08-01-2026

No. of StudentsAttended   : 137

The SREC IEEE Student Branch (STB17901) **and** IEEE Computer Society (SBC17901B) in association with Department of Computer Science Engineering conducted One Day Awareness Programme on "**Artificial Intelligence & Concepts, Applications & Ethics**". Resource Person Mr. Nagendra, Dr. M.V. Subramanyam, Principal of SREC, Dr.S.Md. Farooq, HoD CSE, Dept,Mr,T.M. RAMESH, Program Coordinator, Faculty, Staff and CSE Students are participated in this program. Mr. T.M. RAMESH Program Coordinator did welcome the guest and participants of the event.

The inaugural session was graced by the Principal, Dr.M.V.Subramanyam garu who highlighted the importance of such skill-based training. He stated, "Awareness Programme like these prepare our students to face real-world challenges and keep them industry-ready by learning emerging technologies like Artificial Intelligence."

The Head of Department, Dr.S.Md. Farooq garu appreciated the initiative and emphasized, "Integrating AI into application development is the need of the hour. Such programs enhance problem-solving skills and give our students a competitive edge in the IT sector."

The invited Resource Person, Mr.Nagendra garu delivered insightful sessions on practical aspects of AI integration. He remarked, "AI is no longer a separate field it is becoming an integral part of full stack applications. By gaining hands-on practice, students can build smarter, more efficient solutions for tomorrow's world." This Program introduces the latest trends in Artificial Intelligence (AI) and demonstrates how AI can be effectively combined with full stack development for building intelligent. He explains various AI Tools.

The awareness programme concluded with a demo session, where participants showcased their projects, demonstrating innovative solutions like AI-based customer support, content generation, and intelligent dashboards.The event end with vote of thanks.
