### **A one Day Program on” INNOVEXUS-2026”**

Date : 16/03/2026

Organizing by : SREC IEEE Student Branch STB17901 and  
IEEE Computer Society SBC17901B

No of Students Attended : 74

The SREC IEEE Student Branch organized a “**INNOVEXUS-2026**” on **16<sup>th</sup> March 2026** at the **Seminar Hall - 2**. The event was conducted by **SREC IEEE Student Branch STB17901** and the IEEE Computer Society Student Branch Chapter (SBC17901B). The event was conducted with the objective of encouraging students to showcase their talent, creativity, technical knowledge, and innovative thinking through new and impactful ideas.

The main aim of the program was to provide a platform for students to present their innovative ideas and demonstrate their technical skills in solving real-world problems. The event encouraged participants to think creatively and come up with new innovations in various domains such as Artificial Intelligence, Machine Learning, IoT, Automation, Smart Technologies, and Software-Based Solutions.

The theme of the event, “Where Ideas Converge Into Real-World Impact”, reflected the spirit of innovation and practical application of knowledge. Students from different departments actively participated in the competition and presented their ideas with great enthusiasm and confidence. The event created an inspiring atmosphere for young minds to explore technology and innovation.

The competition was conducted successfully, and the top best performances were recognized and appreciated. The outstanding participants were awarded with certificates and cash prizes as a token of encouragement and appreciation for their innovative efforts and excellent presentation skills. This recognition motivated students to further develop their ideas and actively participate in future technical events.

Overall, INNOVEXUS – 2026 was a grand success and served as an excellent platform to nurture innovation, technical excellence, creativity, and competitive spirit among students. The event also strengthened the objectives of IEEE in promoting technology for the benefit of society and student professional development.

## Outcome of the Event

- Provided a platform for students to showcase their talent and innovative ideas
- Encouraged creative thinking and technical problem-solving
- Improved presentation and communication skills
- Motivated students through certificates and cash prize recognition
- Enhanced IEEE student involvement and technical participation
