DEPARTMENT OF BASIC SCIENCES

Name of the program : National Science Day

No of students participated : 58

Report of the Programme:

The Department of Basic Sciences has been organised programme “**National Science Day**” for all the I.B.Tech students and faculty members of SREC on 28th February 2022. The Principal inaugurated the programme at the college seminar hall.

The students who are prepared projects for science expo has been showed and explained during the programme. All the I.B. Tech students are actively participated in the technical quiz and got certificates. The principal of SREC has motivated the students as on this day we have to respect the great discovery of the Raman Effect and great Indian scientist Sir CV Raman, and to explain about an importance of science and discovery to the society. The Resource Person enlightened the students with the great Indian scientist stories and their innovations in the power point presentation and all the I.B.Tech students benefited from the programme.

Speech by Principal Sir

Students explaining experiment to Principal Sir

Objectives of the Programme:

- About Sir C.V. Raman and his discovery i.e. Raman effect
- Know the importance of the science.
- Learn about Indian great innovations.
- Students attract towards research
- Improve observation and analysis.
