

7.1.1 Measures initiated by the Institution for the promotion of gender equity

Response:

The Institute has initiated some curricular and co-curricular activities to sensitize as well to promote gender equality. The institute always stands with the gender equity concept of fairness of treatment for girl and boy, according to their respective needs. It always makes sure that each and everyone supposed to get equal treatment or treatment that is different but which is considered equivalent in terms of right, benefits, obligations and opportunities.

The Institute curricular activities are well organized and nurtured with respect to prescribed curriculum of the program. It further includes class work, seminars, laboratory experiments, examinations, project works etc. The institute has spacious class rooms and laboratories to provide easiness to all students in completing their curricular activities. Nominating class representative for boys and girls separately, involving both gender students in academic relevant cells such as examination cell, R&D cell etc.

The Institute co-curricular activities are framed with value added activities inclined towards curricular program. The activities includes guest lectures, add on programs, certificate programs, workshops, project expos, conferences and symposiums, hackathons, field visits. The institute always makes sure that all the students are given equal opportunity to participate and benefit from all co-curricular activities organized by the home institution as well other institutions. In addition the Institute also organizes various sports and games events for both genders in the campus and encourages, support them for university level and state level representation. Students of both genders are nominated as volunteers and organizers for different programs to develop leadership and management skills.

The Institute provides the following facilities for women in the campus.

1. Safety and Security:

ACADEMIC YEAR: 2021-2022

NAME OF THE PROGRAM : AN AWARENESS PROGRAM ON WOMEN'S SAFETY
AND CYBER CRIMES

DATA: 05-03-2022

REPORT

An awareness program on Women's Safety and Cyber Crimes was conducted on 05-03-2022. The Chief Guest was Ms.D.Hima Bindu, Advocate, Nandyal. She said " MHA has set up a new 'Women Safety Division' on May 28, 2018 to strengthen measures for safety of women in the country and instil greater sense of security in them through speedy and effective administration of justice in a holistic manner and by providing a safer environment for women. An unfortunate number of women are becoming victims of cyber crimes. According to a recent study more women are known to use the Internet to enrich their relationships compared to men. Young women, those 18-24, experience certain severe types of harassment at disproportionately high levels: 26% of these young women have been stalked online, and 25% were the target of online sexual harassment. The growing reach of the Internet and the rapid spread of information through mobile devices has presented new opportunities that could put some women at risk, so it's important to be mindful of the dangers." more than 88 students participated and said that they get a lot of information from this program.

ACADEMIC YEAR: 2021-2022

NAME OF THE PROGRAM : A PROGRAM ON STOPPING VIOLENCE AGAINST WOMEN.

DATA: 09-04-2022 REPORT

A Program on Stopping Violence Against Women was conducted on 09-04-2022 by the department of Basic Sciences in the Seminar hall, the Chief guest was M.Sravani Advocate, Kurnool, The Chief Guest advocated " Prevention is the only way to stop violence before it even occurs. It requires political commitment, implementing laws that promote gender equality, investing in women's organizations, and addressing the multiple forms of discrimination women face daily. The evidence about prevention has evolved considerably over the past decade and Violence negatively affects women's general well-being and prevents women from fully participating in society. It impacts their families, their community, and the country at large. It has tremendous costs, from greater strains on health care to legal expenses and losses in productivity." More than 83 students participated in this program.
